WORKSHOP REPORT #2

TYPE:

Collaborator:

THE RITZ-CARLTON

ABAMA

DATE: 23/02/2024

VOLUNTEERS: 3

LOCATION: RITZ KIDS ABAMA

Comments:

This workshop at Ritz Kids Abama, dedicated to clients' children, focused on seagrass ecosystems and the impact of plastic pollution. Participants engaged in crafting with plastic from clean-ups and enjoyed virtual reality activities.

5 attendees

WORKSHOP REPORT #3

TYPE:

Collaborator:

DATE: 18/03/2024

VOLUNTEERS: 3

LOCATION: MIND HOTEL

Comments:

This workshop took place at the MIND Hotel premises, in collaboration with Canary Green association. Throughout the session, attendees were briefed on the various initiatives conducted by Innoceana in Tenerife and the environmental challenges we encounter.

6 attendees

WORKSHOP REPORT #4

TYPE:

Collaborator:

THE RITZ-CARLTON
ABAMA

DATE: 03/04/2024

VOLUNTEERS: 3

LOCATION: RITZ-CARLTON ABAMA

Comments:

This workshop at the Ritz-Carlton Abama pool area allowed attendees to examine plastics and seagrasses under the microscope. Additionally, the workshop covered the marine fauna of the Canary Islands and the challenges it faces, including plastic pollution.

13 attendees

WORKSHOP REPORT #5

TYPE:

Collaborator:

THE RITZ-CARLTON

ABAMA

DATE: 05/04/2024

VOLUNTEERS: 3

LOCATION: RITZ KIDS ABAMA

Comments:

The workshop was held at Ritz Kids Abama. It centered on delving into the beauty of seagrass and addressing the issue of plastic pollution affecting its inhabitants. Attendees participated in crafting sessions with clean-up plastic and virtual reality activities.

15 attendees

WORKSHOP REPORT #6

TYPE:

Collaborator:

DATE: 11/06/2024

VOLUNTEERS: 5

LOCATION: IES LOS CARDONES

Comments:

The workshop at IES Los Cardones in El Medano included three activities on plastics, turtles and seagrass, and marine life in Tenerife. It featured an Innoceana presentation and concluded with students sharing their impressions and ideas on protecting Tenerife's sea.
